❖ **ABOUT STTP**

The NBA's certification is essential to Engineering Education Institutes' ongoing efforts to improve their quality. Outcome Based Education (OBE) focuses on the performance of students. It supports making use of opportunities, assessments, and classroom experiences to help students accomplish their objectives. This six-days faculty orientation program would cover the whole NBA accreditation process, including the goals, methodology, flow of the process, and accreditation criteria, using examples and case studies to help the institution integrate outcome-based education into its teaching and learning system and academic procedures.

❖ **ABOUT IE(I)**

The Institution of Engineers (India) [IEI] is a statutory body to promote and advance the engineering and technology, established in 1920 and incorporated by Royal Charter in 1935. It is the largest multi-disciplinary professional body of engineers encompassing 15 (fifteen) engineering disciplines with a membership of more than 820 thousand, and serving the nation for more than 9 decades. The IEI has its headquarters located in Kolkata with national presence through more than hundred Centres and several Overseas Chapters, Foras and Organ.

❖ **ABOUT ISTE**

The Indian Society for Technical Education (ISTE) is the leading National Professional non-profit making Society for the Technical Education System in our country with the motto of Career Development of Teachers and Personality Development of Students and overall development of our Technical Education System. At present, the ISTE has a very large and an effective membership base consisting of 124024 Life Members, 5 lakh Student members, 2734 Institutional Members, 1369 Faculty Chapters, 1479 Student Chapters at institutional level and 17 Sections at State level.

❖ **ABOUT BBIT**

Bhailalbai & Bhikhabhai Institute of Technology is a Grant-in-Aid (GIA) and Self-Financed Institute Polytechnic managed by Charutar Vidya Mandal, Vallabh Vidyanagar.
