The above team will work as student central committee. The Student Central committee of Institute aims at organizing various activities for the overall development of students. In these activities the students represent and exhibit their skills which help in confidence and personality building. The committee organizes cultural events, alumni events, fine arts events etc. along with other co-curricular and extracurricular activities for the benefit of students as well as the society.

Responsibilities of Departmental students' central committee Representatives:

1. The members will help in planning and execution of various activities during the year and also display it on the departmental notice board and communicate it to the students of their respective department. They will also ensure maximum participation from their respective department and keep record of it.
2. They will help in maintaining records of various intra and inter collegiate activities held during the year and see that the activities are posted on social media and reported in print media.
3. The departmental representatives will identify and select students with good communication skills and leadership qualities and motivate them to become student volunteers of student central committee. These students will volunteer in various college activities and events such as CREATO, HACKATHON, Annual Day etc.
4. They will select a suitable student for the post of class representatives from each year/semester and send the details along with CR form to the vice presidents.
